Remodel Spotlight:

Walmart #6894 Supercenter

In the third installment of our re-occurring series of recognizing remodels we are highlighting Apopka, FL. This remodel began on 4/3/2022 and is being managed at a site level by Takiesha Vining. She is supported by shift managers Anton Byrd. This is Takiesha's's first remodel as a site manger and Anton's first remodel as a shift lead. The duo had been helping TAB by running various special projects (bike racks and back rooms) in Walmart for us. The combination of their communication and production drew the attention of RPLs and they were requested by Walmart to run

the site they are on.

Our 2nd store of distinction this month is Leesburg, FL., Walmart #800. This remodel began on 4/24/22 and is managed at a site level by Haddy Ndiaye. She is supported on the shift manger level by Jasmine Shepard. This project is the first as a Shift Manager by Jasmine. Guided by the veteran experience of Ms. Haddy, Jasmine is stepping into her own and is doing an excellent job. The Walmart store planning team loves the communication and organization of the team working hard in Leesburg. They have gotten off to a great start and the team is set up for success going forward.

Easy Recipes for the Hotel.

We received great feedback on easy recipes to do in a hotel room with just a microwave, fridge and sink, so here are 2 more! This week looks at a Loaded Baked Potato and Pita Pizza.

Remember, hotel room microwaves are small so plan accordingly. I recommend bringing a small casserole dish or a microwave safe bowl to do most of your cooking in. When packing one in your luggage be sure to put clothes inside it and around it to pad and protect it during transit.

Some meals you'll only need paper plates, utensils, and paper towels.

Scrub your potatoes and poke them all over with a fork, leaving little holes for the steam to escape. Microwave for 4-5 min. Turn over and microwave for another 4-5 minutes. When it's done, cut it open and add all your favorite toppings. Butter, cheese, sour cream, bacon bits, steamed broccoli, etc. More potatoes may require extra microwave time.

My kids love pita pizzas! Buy pita breads, pizza sauce, grated mozzarella cheese, and your favorite toppings like pepperoni. Add sauce to one pita bread and top with cheese and toppings. Toss in the microwave on a paper plate for 45 sec. and wa-lah! Your own personal pizza! .

More Than Just Walmart: Meet our Publix and Sprouts Divisions

Most of our TAB Family operates on the Walmart side of our operations, but we have two other major divisions you may not know about; Publix and Sprouts. Publix is ran by our Divisional Managers: Shaq Evans and Bruce Mixon. Publix does service calls, remodels and sets up new stores. The Publix Division operates mainly in the southeast; North Carolina, South Carolina, Georgia, Alabama and Florida. Their crews are made up of installers and individuals with carpentry skills. The Sprouts Division is led by Rashad Legette in the field as a Divisional Manager and managed corporately by Mike Peck. Our Sprouts division specializes in setting up new stores and operates heavily in Florida and Georgia.
